Request for ROHS certificates

Geert Huggers - 2019-12-10 - Request for ROHS certificates

We have a new global website and this new global website has also a way to download RoHS certificates.

For instance you need the RoHS certificate from the 9841.

First go to the website: https://catalog.belden.com/

Then type 9841 in one of the white search bars. The 9841 will appear.

Click on 9841 and extra information will be shown.
